Dear Mr. Grossman:

I want to thank you and your firm for representing me. When I agreed to serve as trustee of my neighbor's trust I had no idea it would turn out to be so much trouble. I really wanted to make sure her wishes were carried out and I knew one of her children would be trouble. What I didn't know was how much work it would be and how much trouble her son would try to make for me.

You and your firm helped me get through some very contentious litigation. You were a great help to me and the trust. You protected me, protected the trust, and successfully defended me against the false claims made against me. Thanks for making sure my neighbor's wishes were carried out and keeping me from harm.

Sincerely, 

Robert E. Davis
