Dear Scott:

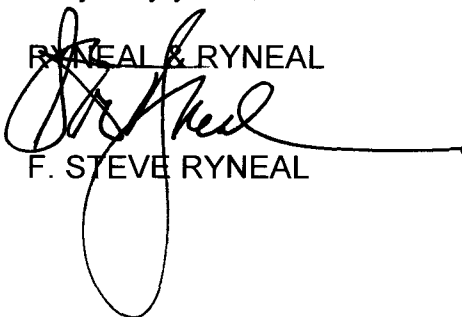

I want to thank you for your very able representation of me in my recent estate matter.

As a lawyer myself, I am very thorough and detailed minded, and I am most appreciative whenever I find those same qualities in another attorney such as yourself, especially when that attorney is handling a matter for me personally as you did.

Throughout the handling of my matter you were extremely professional and demonstrated very ably your expertise in the field of estate and trust law. You and your staff were very cooperative and most efficient throughout the pendency of my case which ultimately resulted in a very satisfactory resolution.

Rest assured that I would be more than happy to recommend any of my friends or my own clients to you in the future should they have an estate, trust or estate litigation matter.

Very truly yours,

~~RYNEAL & RYNEAL~~
